some great sponsors donated towards a huge raffle. Jeepers were greeted at the off-road park by the Seven Slot team and placed into groups before heading out on the tracks. While they were out driving the crew from Lone Star Rib House, Gold Coast, prepared a great BBQ for lunch. Groups started rolling back into the camp area around 1pm and enjoyed the BBQ on offer. thank you. Customers, you're what makes it fun. Sponsors, you are the best, and that means the people that represent the brands and who donate the prizes (you know who you are). Everyone enjoyed themselves. Thanks to BF Goodrich Tires, Valvoline, Airbag Man, Jeep Action Magazine, Lone Star Rib House, Tunit, Hard Korr Lighting and WARN. Until 2018, when we do it all again and make it bigger and more fun for everyone.

A great time was had by all and a successful day of fundraising raised \$705 for Act for kids. You all contributed in making a child's day brighter."
